Authorized Representative / Importer:

MakAtermonas Ltd, Stavrodromiou 101, 7733 Kalavassos, Cyprus

E-mail: info@atermonas.com

Declaration Number: DOC-BAT-2026-001

Invoice Number: CBB-MAM2604-3P

Product Description:

Industrial Lead-Acid / Lead-Carbon Batteries

Models Covered:

T125, T145, NPC230-6, NPC300-6, NPC100-12

Batch / Serial Number:

C26A04001-C26A04146

Intended Use:

Industrial motive power applications, energy storage systems, powered access equipment, forklifts, telecommunication systems, and related industrial applications.

We hereby declare under our sole responsibility that the above-mentioned products comply with:

- Regulation (EU) 2023/1542 concerning batteries and waste batteries
- Directive 2011/65/EU (RoHS), where applicable
- Directive 2014/30/EU (EMC), where applicable for batteries equipped with electronic control systems or BMS devices

The products are manufactured under an ISO 9001 certified quality management system and comply with relevant technical, environmental, and safety requirements.

The batteries:

- Do not contain mercury above EU permitted limits
- Comply with applicable restrictions regarding hazardous substances and heavy metals
- Are manufactured according to relevant industrial battery standards

Applicable Standards:

IEC 60896 | IEC 61427 | IEC 62485 | EN 50272

Additional Information:

These batteries are intended for professional and industrial use only and shall be transported, installed, maintained, recycled, and disposed of in accordance with manufacturer instructions and applicable local regulations.

Place of Issue: Guangdong Province, China

Date of Issue: 25/05/2026
